At this bilateral meeting partners from EIT Health UK-Ireland & EIT Health Germany are invited to explore new project ideas and bilateral collaboration opportunities with the main objective of the meeting being to build a rich and exciting portfolio of cross-CLC INNOVATION projects and ACCELERATOR/-CAMPUS activities for the EIT Health BP2019 call and beyond.

Agenda:

- 11:00 – 11:15 Welcome (Uli Harnacke & Katharina Ladewig)
- 11:15 – 13:00 Industry-led Roundtables (2 rounds à 5 tables each)
- 13:00 – 13:30 Networking lunch
- 13:45 – 15:30 Healthcare Provider-led Roundtables (2 rounds à 5 tables each)
- 15:30 – 15:45 Afternoon Tea
- 15:45 – 16:45 Industry-led Roundtables (1 round à 5 tables)
- 16:45 – 17:00 Close and Next Steps (Uli Harnacke & Katharina Ladewig)

This event is your opportunity to:

- Lead a roundtable discussion showcasing your idea(s) on how to best leverage your organisation's assets and those of the EIT Health network at large to address Europe's health/aged-care challenges of tomorrow.
- Explore new collaboration opportunities and find partners from another CLC who are interested in the same topics as you.
- Build project and activity proposals suitable for the EIT Health BP2019 call (and beyond) with hands-on support from EIT Health staff on the day.

EIT Health is supported by the EIT,
a body of the European Union
