Time to Board The Ship for Health Innovation Pitches (SHIP) 2018

Wed 11 July 2018 (09h00 - 18h00) | Königin Silvia, Neckarstaden 25, 69117 Heidelberg

The SHIP is an exclusive event for EIT Health Germany partners and friends to hear about the newest healthcare innovations developed by German, Swiss & Austrian start-ups.

In the morning, 15 BioTech, MedTech and DigitalHealth start-ups from Germany and Switzerland will pitch their innovative products and services in front of an expert jury competing for the semifinals of the European Health Catalyst, a collaboration between EIT Health and HealthAxis Europe.

In the afternoon, 15 pre-selected applicants will pitch for the EIT Health 2018 Head Start Funding Awards, which support start-ups/SMEs in realising their next steps towards the market and shorten the time-to-market for their innovative products and services.

Agenda:

09h00	Registration, Embarkation & Morning Coffee
10h00	SHIP Departure and Welcome Notes
10h15	Pitch Rounds & Matchmaking
17h00	Award Ceremony & Networking Drinks
18h00	Arrival at the Pier and Disembarkation

Event Registration & Contact:

Register by scanning the 2D barcode to the right or visit our website (www.eit-health.de) to learn more about this event. Please contact Matteo Consonni (matteo.consonni@eit-health.de) with any queries you may have regarding this event.

EIT Health is supported by the EIT,
a body of the European Union
